CLASS NOTES · TADABBUR SIRI 12

Surah *Al-'Asr*

Khamis, 10 September 2026 | Surah ke-103 · 3 ayat · Makkiyyah | *Al-'Asr* = masa

> Imam Syafi'i: *"Kalaulah manusia mentadabbur surah ini sahaja, nescaya cukuplah bagi mereka."* — quoted in Tafsir Ibn Kathir (103:1). A scholar's words, not a hadith.

1. Teks & maksud

وَالْعَصْرِ ﴿١﴾ إِنَّ الْإِنسَانَ لَفِي خُسْرٍ ﴿٢﴾ إِلَّا الَّذِينَ آمَنُوا وَعَمِلُوا الصَّالِحَاتِ وَتَوَاصَوْا بِالْحَقِّ وَتَوَاصَوْا بِالصَّبْرِ ﴿٣﴾

WORD BY WORD

1

وَ	الْعَصْرِ
demi	masa

Demi masa!

2

إِنَّ	الْإِنسَانَ	لَفِي	خُسْرٍ
sesungguhnya	manusia	benar-benar dalam	kerugian

Sesungguhnya manusia benar-benar dalam kerugian,

3

إِلَّا	الَّذِينَ	آمَنُوا	وَعَمِلُوا	الصَّالِحَاتِ	وَتَوَاصَوْا
kecuali	orang-orang yang	beriman	dan beramal	(amal) soleh	dan saling berpesan

بِالْحَقِّ	وَتَوَاصَوْا	بِالصَّبْرِ
dengan kebenaran	dan saling berpesan	dengan kesabaran

kecuali orang-orang yang beriman dan beramal soleh, dan saling berpesan dengan kebenaran, dan saling berpesan dengan kesabaran.

AL-'ASR 103:1–3

2. Ayat 1 — "Demi masa"

Allah swears by time. Three possible meanings of *Al-'Asr* from class — and they complement each other:

1. **Waktu Asar** — often the hardest solat to guard, because we're still deep in dunia's business at that hour;

2. **The lifetime of the Prophet ﷺ**;
3. **Time** in general — the passing of time.

3. Ayat 2 — all of mankind is in loss

Inna + *la-* = double emphasis. This isn't "might be at a loss" — it's **certain**, for mankind as a whole. Yet so many of us don't truly believe it, because we don't really know Allah as we should.

4. Ayat 3 — the only way out

Everyone starts in loss, **except**:

1. Those who **believe + do good deeds** — both together, not one or the other; and
2. Those who **remind each other of the truth and of patience** (dakwah).

BERIMAN	BERAMAL SOLEH	HASIL
✔	✘	Rugi
✘	✔	Rugi
✘	✘	Rugi
✔	✔	**Terselamat daripada kerugian**

WHAT MAKES AN AMAL "SOLEH"?

Two conditions: (1) **ikhlas kerana Allah**, and (2) **following the sunnah** of the Prophet ﷺ. Without them, deeds we thought were good can be worthless:

> وَقَدِمْنَا إِلَىٰ مَا عَمِلُوا مِنْ عَمَلٍ فَجَعَلْنَاهُ هَبَاءً مَّنثُورًا
>
> *"Dan Kami tujukan kepada amal yang telah mereka kerjakan, lalu Kami jadikannya debu yang berterbangan."*
>
> AL-FURQAN 25:23

CIRI AL-ABRAR

Two traits of *al-abrar* (the righteous) from class: they **give what they themselves love**, and after giving, they **expect nothing back**. Both are straight from the Quran:

- **Ali 'Imran 3:92** — "Kamu tidak akan mencapai kebajikan (al-birr) sehingga kamu menginfakkan sebahagian daripada apa yang kamu sayangi."
- **Al-Insan 76:9** — "Sesungguhnya kami memberi makan kepada kamu hanyalah kerana Allah; kami tidak mengharapkan balasan daripada kamu dan tidak pula ucapan terima kasih."

5. Masa = modal

Time is the capital we're given in dunia to earn our reward in Jannah. The question from class: *"So, bagaimana kamu guna masa kamu? Amal soleh atau tidak?"*

Al-Isra' 17:9 — this Quran guides to what is most upright, and gives good news to the believers who do good deeds that theirs is a great reward.

ASKING FOR MORE TIME — TOO LATE

> *"Dan belanjakanlah (dermakanlah) sebahagian daripada rezeki yang Kami berikan kepada kamu sebelum datang kematian kepada salah seorang daripada kamu, lalu dia berkata: Wahai Tuhanku, mengapa Engkau tidak menangguhkan (ajal)ku sedikit masa lagi, supaya aku dapat bersedekah dan aku termasuk dalam golongan orang yang soleh?"*
>
> AL-MUNAFIQUN 63:10

> حَتَّىٰٓ إِذَا جَآءَ أَحَدَهُمُ ٱلْمَوْتُ قَالَ رَبِّ ٱرْجِعُونِ ۝ لَعَلِّيٓ أَعْمَلُ صَٰلِحًا فِيمَا تَرَكْتُ ۚ كَلَّآ
>
> *"Sehingga apabila datang kematian kepada salah seorang daripada mereka, dia berkata: Wahai Tuhanku, kembalikanlah aku, supaya aku dapat beramal soleh pada apa yang telah aku tinggalkan. Sekali-kali tidak!"*
>
> AL-MU'MINUN 23:99–100

Both ask for the same thing — **more time** to do good — and both are refused. Capital that's been spent can't be asked for again.

Az-Zumar 39:47 — even if the wrongdoers owned everything on earth and as much again, they'd offer it all to ransom themselves from the punishment.

6. Dakwah & the levels of sabar

The second trait of those saved: reminding each other of truth and patience. Four levels of sabar from class:

1. ⭐ **Sabar + redha + syukur** — the best level
2. Sabar + hati redha
3. Sabar, but the heart isn't redha
4. Marah — not sabar at all

> إِنَّمَا يُوَفَّى ٱلصَّٰبِرُونَ أَجْرَهُم بِغَيْرِ حِسَابٍ
>
> *"Sesungguhnya orang-orang yang sabar sahaja yang akan disempurnakan pahala mereka tanpa hisab (tanpa had)."*
>
> AZ-ZUMAR 39:10

Reflections

- **Time is the only non-renewable asset.** It can't be bought back, borrowed, or inherited. Every estate plan is really a plan for managing a *limited period* — not just numbers.
- **63:10 and 23:99 are the same risk as a delayed wasiat.** "Nanti" is the most dangerous word in estate planning. After death there's no second chance to fix how harta is distributed.
- **25:23 — compliance vs sincerity.** A product or wasiat can be "shariah compliant" on paper and still fail on niat or substance (e.g. a wakaf for reputation). Its value in akhirat isn't measured by a compliance certificate.

- **Al-Abrar as the standard for giving:** give from what's valuable to us, with a clean niat — not just leftovers, and not just for tax relief.
- **Sabar in advising.** Telling people the truth about faraid and wasiat often meets resistance. The four levels of sabar are a personal gauge: can I keep giving the right advice with a calm heart, even when people aren't ready?
