QURAYSH 106:1–4

2. Who are the Quraysh?

The tribe of the Prophet ﷺ. Many prophets came from Bani Israil; Nabi Muhammad ﷺ came from the line of Nabi Ismail through Quraysh.

> *"Sesungguhnya Allah telah memilih Kinanah daripada keturunan Ismail, memilih Quraysh daripada Kinanah, memilih Bani Hasyim daripada Quraysh, dan memilihku daripada Bani Hasyim."*

> MUSLIM 2276 (WATHILAH BIN AL-ASQA') · SAHIH

3. Ayat 1–2 — the two trade journeys

MUSIM	KE	BARANGAN
Musim sejuk	Yaman	Rempah, kain, permaidani
Musim panas	Syam	Hasil pertanian, sayur, buah

- The routes were full of robbers and bandits — yet Quraysh caravans weren't touched, because they were known as the **guardians of the House of Allah**.
- After Allah Himself destroyed the army of the elephant (Surah Al-Fil), Quraysh's standing rose even higher.
- **At-tashwiq** — ayat 1 opens with *li-* ("kerana...") without saying straight away what it's linked to. A style that makes the reader curious.
- The trade details are historical information, not from the nas.

What is *li-* linked to? Ulama differ: (a) to Surah Al-Fil — Allah destroyed the army for the sake of Quraysh's security (Ibn Kathir, from Ibn Ishaq); (b) to ayat 3 — "because of this nikmat, worship the Lord of this House"; (c) an expression of wonder — "marvel at the habit of Quraysh" (chosen by Ibn Jarir at-Tabari). All valid; the ustaz's at-tashwiq explanation fits as a point of balaghah.

4. Rezeki in a barren valley

Makkah's land had nothing — yet Quraysh's rezeki overflowed, **only because of the Kaabah**.

> إِنَّ اللَّهَ هُوَ الرَّزَّاقُ ذُو الْقُوَّةِ الْمَتِينُ
>
> *"Sesungguhnya Allah, Dialah Pemberi rezeki, Yang mempunyai kekuatan lagi Maha Kukuh."*
>
> ADH-DHARIYAT 51:58

Why did Allah protect Makkah? In class: to protect the birthplace of the Prophet ﷺ, born in the Year of the Elephant. The clearest reason from the nas is the honour of the Kaabah as Baitullah (106:3, 29:67) — the two don't contradict.

Al-'Ankabut 29:67 — "Tidakkah mereka melihat bahawa Kami menjadikan (Makkah) tanah haram yang aman, sedangkan manusia di sekeliling mereka diculik dan dirampas?"

5. Ayat 3–4 — so worship Him

Allah has given the nikmat — so worship Him. Why do we still put nafsu and dunia first? Allah mentions two nikmat, **food and safety**, because they're the foundation of life.

فَمَن تَبِعَ هُدَايَ فَلَا خَوْفٌ عَلَيْهِمْ وَلَا هُمْ يَحْزَنُونَ

"Sesiapa yang mengikut petunjuk-Ku, nescaya tiada ketakutan atas mereka dan mereka tidak bersedih."

AL-BAQARAH 2:38

So, **bahagia** = **tiada rasa takut** + **tiada rasa sedih.**

- **Fatir 35:3** — remember Allah's nikmat; is there any creator other than Allah who provides for you from the sky and earth? So why turn away? The answer from class: Al-Quran, and zikir pagi & petang.
- **Fatir 35:14** (with Tafsir As-Sa'di) — the idols people call on are lifeless: they don't hear your du'a, can't answer, and on the Day of Judgement they'll deny your shirk. None can inform you like the All-Knowing.

6. My own reflection — helping Allah's deen

يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنصُرُوا اللَّهَ يَنصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ

"Wahai orang-orang yang beriman, jika kamu menolong (agama) Allah, nescaya Allah menolong kamu dan meneguhkan kedudukan kamu."

MUHAMMAD 47:7

Sharing Allah's ayat is one way of helping His deen — which is partly why these notes exist.

Reflections

- **Rezeki depends on Ar-Razzaq, not on "assets".** Quraysh lived in a valley with no crops, yet provision came because Allah honoured the Kaabah.
- **Food security and safety first.** In financial and estate planning, that's also the first layer: the family's basic needs and protection — emergency fund, takaful, wasiat/hibah — before chasing growth.
- **Nikmat can be taken back.** An-Nahl 16:112 describes a town that was safe and well-provided, then denied Allah's nikmat — so Allah clothed it in hunger and fear. Ibn Kathir links this ayat to Surah Quraysh.
- **The response Allah asks for** isn't just enjoying the nikmat — it's **worshipping the Giver** (ayat 3). The real measure of financial success: does it bring us closer to Allah, or make us turn away (35:3)?
