Hakikat Kehidupan *Dunia*

Thursday, 5 November 2026 · 9.15–10.30pm | Framework kelas: (1) What Allah has told us in the Quran, (2) What the Prophet ﷺ said

IN SHORT

- Dunia is short and small next to akhirat — harta and anak are called fitnah, twice.
- The Prophet ﷺ feared we'd have **more**, not less — and start racing.
- Real wealth is a rich heart; live like a traveller resting under a tree.

> "Janganlah engkau mengorbankan Syurga seluas langit dan bumi hanya kerana syahwat yang sementara." — the **gist** of Ibnu Qayyim's words رحمه الله (same meaning in *Hadi al-Arwah*, not his exact wording).

1. Dunia is only for a moment

وَاضْرِبْ لَهُم مَّثَلَ الْحَيَاةِ الدُّنْيَا كَمَاءٍ أَنزَلْنَاهُ مِنَ السَّمَاءِ فَاخْتَلَطَ بِهِ نَبَاتُ الْأَرْضِ فَأَصْبَحَ هَشِيمًا تَذْرُوهُ الرِّيَاحُ ۗ وَكَانَ اللَّهُ عَلَىٰ كُلِّ شَيْءٍ مُّقْتَدِرًا

"Dan buatlah untuk mereka perumpamaan kehidupan dunia: seperti air yang Kami turunkan dari langit, lalu tumbuh-tumbuhan bumi bercampur dan subur kerananya, kemudian ia menjadi kering hancur diterbangkan angin. Dan Allah Maha Berkuasa atas segala sesuatu."

AL-KAHF 18:45

- The cycle: hujan turun → tumbuhan subur → kering, hancur → blown away by the wind → nothing left.
- **Reflection:** We're born, we grow, and in our prime we're surrounded by people who love us. Bila dah tua, we're no longer 'favoured' — tak subur lagi. Eventually we die and go back to the earth. Exactly like the plant.

كَأَنَّهُمْ يَوْمَ يَرَوْنَهَا لَمْ يَلْبَثُوا إِلَّا عَشِيَّةً أَوْ ضُحَاهَا

"Pada hari mereka melihatnya (hari kiamat), seolah-olah mereka tidak tinggal (di dunia) melainkan sepetang atau sepagi."

AN-NAZI'AT 79:46

Too short. A whole lifetime, and on that Day it'll feel like one afternoon.

2. Harta & anak — adornment, and a test

الْمَالُ وَالْبَنُونَ زِينَةُ الْحَيَاةِ الدُّنْيَا ۖ وَالْبَاقِيَاتُ الصَّالِحَاتُ خَيْرٌ عِندَ رَبِّكَ ثَوَابًا وَخَيْرٌ أَمَلًا

"Harta dan anak-anak adalah perhiasan kehidupan dunia; tetapi amalan soleh yang kekal itu lebih baik pahalanya di sisi Tuhanmu dan lebih baik untuk menjadi harapan."

AL-KAHF 18:46

- **Al-baqiyat as-salihat** = the good deeds that last. Examples from class: zikir pagi-petang, reading & learning the Quran, berdakwah.

ALLAH SAYS IT — AND REPEATS IT

Allah calls harta and anak a **fitnah (ujian)** in almost the same words, **twice**:

وَاعْلَمُوا أَنَّمَا أَمْوَالُكُمْ وَأَوْلَادُكُمْ فِتْنَةٌ وَأَنَّ اللَّهَ عِندَهُ أَجْرٌ عَظِيمٌ

AL-ANFAL 8:28

إِنَّمَا أَمْوَالُكُمْ وَأَوْلَادُكُمْ فِتْنَةٌ ۚ وَاللَّهُ عِندَهُ أَجْرٌ عَظِيمٌ

AT-TAGHABUN 64:15

"Sesungguhnya harta kamu dan anak-anak kamu hanyalah ujian, dan di sisi Allah ada pahala yang besar."

And the same message keeps coming back in other ayat:

AYAT	MESSAGE
Al-Munafiqun 63:9	Jangan biar harta & anak **melalaikan** kamu daripada mengingati Allah.
Al-Kahf 18:46	Harta & anak are just **perhiasan** of this world.
Al-Hadid 57:20	Kehidupan dunia: showing off and **competing for more** wealth & children.
Saba' 34:37	It's not harta & anak that bring you **closer** to Allah — it's iman & amal soleh.
Ash-Shu'ara' 26:88–89	On that Day harta & anak are **of no use**, except for whoever comes with a sound heart (qalbun salim).

> **Kenapa Allah ulang?** Because He knows how we see them — as ours, our pride, our goal. So He keeps reminding us. He doesn't want us to be lalai, terlalu sibuk dengan dunia.

"YA, I KNOW…" — TAPI TAU MACAM TU JE?

If these ayat don't move anything in us, maybe it's one of two things:

1. We **don't understand** the Quran — we read it, but it never reaches the heart; or
2. We understand, but we **don't really believe** what it says. Tau di kepala, tak yakin di hati.

كَلَّا لَوْ تَعْلَمُونَ عِلْمَ الْيَقِينِ

"Sekali-kali tidak! Kalaulah kamu mengetahui dengan ilmu yang yakin..."

AT-TAKATHUR 102:5 · SEE THE SURAH AT-TAKATHUR CLASS, 29/10

Ilmu yang yakin changes how we live. Ilmu "tau je" changes nothing.

3. Allah looks at the heart & deeds

إِنَّ اللَّهَ لَا يَنْظُرُ إِلَى صُوَرِكُمْ وَأَمْوَالِكُمْ، وَلَكِنْ يَنْظُرُ إِلَى قُلُوبِكُمْ وَأَعْمَالِكُمْ

"Sesungguhnya Allah tidak melihat kepada rupa dan harta kamu, tetapi Dia melihat kepada hati dan amalan kamu."

MUSLIM 2564 (ABU HURAIRAH) · SAHIH

Allah tak pandang brand, pangkat, status, harta. Only the heart and what we do. Amal soleh je yang dikira.

4. What the Prophet ﷺ was worried about

فَوَاللَّهِ لَا الْفَقْرَ أَخْشَى عَلَيْكُمْ، وَلَكِنْ أَخْشَى عَلَيْكُمْ أَنْ تُبْسَطَ عَلَيْكُمُ الدُّنْيَا كَمَا بُسِطَتْ عَلَى مَنْ كَانَ قَبْلَكُمْ، فَتَنَافَسُوهَا كَمَا تَنَافَسُوهَا، وَتُهْلِكَكُمْ كَمَا أَهْلَكَتْهُمْ

"Demi Allah! Bukan kemiskinan yang aku bimbangkan atas kamu. Tetapi aku bimbang dunia dibentangkan kepada kamu sebagaimana ia dibentangkan kepada umat sebelum kamu, lalu kamu berlumba-lumba mengejarnya sebagaimana mereka, dan ia membinasakan kamu sebagaimana ia membinasakan mereka."

BUKHARI 3158 · MUSLIM 2961 ('AMR BIN 'AWF) · MUTTAFAQ 'ALAIH

- Baginda started with an oath — **"Demi Allah"**. That's how serious this is; Baginda really feared it for us.
- Not too little, but **too much** — and the race that comes with it.

5. Akhirat as the goal vs dunia as the goal

AKHIRAT AS THE INTENTION

وَمَنْ كَانَتِ الْآخِرَةُ نِيَّتَهُ جَمَعَ اللَّهُ لَهُ أَمْرَهُ وَجَعَلَ غِنَاهُ فِي قَلْبِهِ وَأَتَتْهُ الدُّنْيَا وَهِيَ رَاغِمَةٌ

- Urusan dihimpunkan — affairs come together
- Kaya dalam hati (qana'ah)
- Dunia datang, dalam keadaan tunduk

DUNIA AS THE GOAL

مَنْ كَانَتِ الدُّنْيَا هَمَّهُ فَرَّقَ اللَّهُ عَلَيْهِ أَمْرَهُ وَجَعَلَ فَقْرَهُ بَيْنَ عَيْنَيْهِ وَلَمْ يَأْتِهِ مِنَ الدُّنْيَا إِلَّا مَا كُتِبَ لَهُ

- Urusan bercerai-berai — always busy, always anxious
- Fakir di depan mata — never feels enough
- Only gets what was already written

IBN MAJAH 4105 (ZAID BIN THABIT) · SAHIH — SAME MEANING IN TIRMIDHI 2465

> "Fakir" here isn't about the size of your bank account — it's the feeling of **never enough.** Ada yang hidup sederhana tapi tenang; ada yang banyak tapi sentiasa penat mengejar. **Do we even believe this? Do we actually aim for akhirat?**

6. What dunia is worth to Allah

Nabi ﷺ lalu di pasar, then picked up a dead young goat with defective ears by its ear and asked who would buy it for one dirham. The sahabat said even alive it was cacat, what more dead. Baginda said: ***"Demi Allah, dunia lebih hina di sisi Allah daripada bangkai ini di mata kamu."***

MUSLIM 2957 (JABIR) · SAHIH

وَاللَّهِ مَا الدُّنْيَا فِي الْآخِرَةِ إِلَّا مِثْلُ مَا يَجْعَلُ أَحَدُكُمْ إِصْبَعَهُ هَذِهِ فِي الْيَمِّ، فَلْيَنْظُرْ بِمَ يَرْجِعُ

"Demi Allah! Tidaklah dunia berbanding akhirat melainkan seperti seseorang daripada kamu mencelupkan jarinya ke dalam lautan — lihatlah berapa banyak air yang dibawa pulang oleh jarinya."

MUSLIM 2858 (AL-MUSTAWRID) · SAHIH

- One dip in Hell for the person who had the most nikmat in dunia, and one dip in Jannah for the one who suffered most — both instantly forget everything they went through. (Muslim 2807, Anas · Sahih)

7. Qarun — two ways of looking at dunia

- **28:79** — Qarun came out in all his glory. Those who wanted dunia said: "Alangkah baiknya kalau kita ada seperti yang diberi kepada Qarun."
- **28:80** — Those given knowledge said: "Celakalah kamu! Pahala Allah lebih baik bagi orang yang beriman dan beramal soleh, dan ia tidak diperoleh melainkan oleh orang yang sabar."

AL-QASAS 28:79–80

8. What runs out & what remains

مَا عِندَكُمْ يَنفَدُ ۖ وَمَا عِندَ اللَّهِ بَاقٍ

"Apa yang ada di sisi kamu akan habis, dan apa yang ada di sisi Allah kekal."

AN-NAHL 16:96

Anak, pasangan, harta, family, friends — all of it ends. What's with Allah — **kekal**.

9. The chain of love — Sahl bin 'Abdullah at-Tustari رحمه الله

The sign of loving Allah is loving the Quran → the sign of loving the Quran is loving the Prophet ﷺ → the sign of loving the Prophet is loving his sunnah → the sign of loving the sunnah is loving akhirat → the sign of loving akhirat is **benci dunia** → and the sign of benci dunia is **taking nothing from it except bekalan to reach akhirat.**

This is an athar (a scholar's words), not a hadith — quoted by al-Qurtubi in al-Jami' li Ahkam al-Quran.

"Benci dunia" here doesn't mean rejecting dunia — Sahl's own words explain it: ambil sekadar **bekalan.** Selari dengan Al-Qasas 28:77: "...dan janganlah engkau lupakan bahagianmu di dunia." Dunia is blameworthy when it becomes the **goal**, not when it's a **tool.**

10. We're just passing through

كُنْ فِي الدُّنْيَا كَأَنَّكَ غَرِيبٌ أَوْ عَابِرُ سَبِيلٍ

"Jadilah kamu di dunia seperti orang asing atau musafir yang sedang dalam perjalanan."

BUKHARI 6416 (IBN 'UMAR) · SAHIH

مَا لِي وَمَا لِلدُّنْيَا، مَا أَنَا فِي الدُّنْيَا إِلَّا كَرَاكِبٍ اسْتَظَلَّ تَحْتَ شَجَرَةٍ ثُمَّ رَاحَ وَتَرَكَهَا

"Apa urusanku dengan dunia? Aku di dunia ini hanyalah seperti penunggang yang berteduh di bawah sepohon pokok, kemudian dia pergi dan meninggalkannya."

TIRMIDHI 2377 ('ABDULLAH BIN MAS'UD) · SAHIH (AL-ALBANI)

Context: Baginda ﷺ slept on a mat until it left marks on his side. The sahabat offered to make him a proper bed — this was his answer.

Nobody builds a house under the tree they're resting at. **Question for myself:** what am I chasing right now — bekalan for the journey, or am I building a house under the tree?

11. Rezeki is already written — seek it the right way

إِنَّ رُوحَ الْقُدُسِ نَفَثَ فِي رُوعِي أَنَّ نَفْسًا لَنْ تَمُوتَ حَتَّى تَسْتَكْمِلَ أَجَلَهَا وَتَسْتَوْعِبَ رِزْقَهَا، فَاتَّقُوا اللَّهَ وَأَجْمِلُوا فِي الطَّلَبِ

"Sesungguhnya Ruhul Qudus (Jibril) telah membisikkan ke dalam hatiku bahawa seseorang tidak akan mati sehingga sempurna ajal dan rezekinya. Maka bertakwalah kepada Allah dan carilah rezeki dengan cara yang baik."

AT-TABARANI & ABU NU'AYM (ABU UMAMAH) · SAHIH — AL-ALBANI, SAHIH AL-JAMI' 2085

Same meaning, different wording: Ibn Majah 2144 (Jabir) — "...bertakwalah kepada Allah dan bersederhanalah dalam mencari rezeki; ambil yang halal, tinggalkan yang haram." · Sahih

Reflections

- **Qana'ah is the real KPI**, not net worth. Ibn Majah 4105 shows that "fakir" and "kaya" are really states of the heart.
- **Ease is a subtler test than hardship** (Bukhari 3158). Bila rezeki bertambah, the risk isn't losing it — it's starting to race and compare our lives with everyone else's.
- **Two kinds of wealth that last** (16:96, 18:46): what we send ahead — sedekah jariah, wakaf — and amal soleh. Everything else will run out.
- **Effort is still required** — rezeki and ajal are written, but we're told *ajmilu fit-talab*: seek it well, seek it halal. Tawakkal rules out greed, not effort.
- **Dunia is bekalan**, not the destination. Kita tak tolak dunia — ambil sekadar perlu, sebab kita cuma singgah.
