IN SHORT

- Seek refuge in Allah as Rabb, Malik and Ilah — from the whisper inside.
- Al-Khannas retreats when we remember Allah.
- Shaitan only invites; the choice — and responsibility — is ours.

2. Its place among Al-Mu'awwidhat

Al-Mu'awwidhat = Al-Ikhlas, Al-Falaq, An-Nas. **Al-Falaq** protects from evil that comes *from outside*; **An-Nas** protects from the evil whisper that gets *inside* us — into the heart.

Sunnah: the Prophet ﷺ recited them when ill, and taught us to read the 3 Qul **three times in the morning and evening** (Tirmidhi 3575 · hasan).

The hadith says "morning and evening" in general — commonly done after Subuh and around Maghrib, but not tied to those two prayers.

3. Rabb, Malik, Ilah — three ayat, three attributes

AYAT	ATTRIBUTE	MEANING
1 — *Rabb*	Creator, Owner, Manager	We seek protection from Allah alone — not a bomoh, jinn or any creature. The Prophet ﷺ himself sought protection only from Allah.
2 — *Malik*	The King who rules	His power over everything is unopposed; no one can stop it.
3 — *Ilah*	The One who must be worshipped	Not just Creator and Ruler — we must ask why we do everything: for Allah, or for what? We look for Allah in hardship and forget Him in ease.

> **Hajar a.s.:** full yakin in Allah **while still running** between Safa and Marwah seven times looking for water — then Allah brought out Zamzam. Tawakkal isn't just waiting; effort and yakin go together. (The story of Hajar & Ismail is in Sahih al-Bukhari.)

- **Ibn 'Abbas r.a.:** *"Apabila kamu meminta, mintalah kepada Allah. Apabila kamu memohon pertolongan, mohonlah kepada Allah."* (Tirmidhi 2516 · hasan sahih)
- **Luqman 31:25** — ask them who created the heavens and earth and they'll say "Allah" — yet they still worshipped idols. Our fitrah already knows God is One.
- **Fatir 35:3** — is there any creator other than Allah who provides for you from the sky and earth? So how are you turned away?
- **Muslim 2999** — the believer's affairs are all good: in ease he is grateful, in hardship he is patient.

4. Al-Khannas — the whisper that retreats

Al-Khannas = one who retreats, hides, disappears. When a servant remembers Allah and obeys Him, the shaitan's whisper weakens and **backs off**.

Zikrullah isn't only saying Allah's name — it covers the **heart** (remembering and depending on Him), the **tongue** (zikir, du'a, good speech), and **actions** (obeying, avoiding what He forbids).

> وَمَن يَعْشُ عَن ذِكْرِ الرَّحْمَٰنِ نُقَيِّضْ لَهُ شَيْطَانًا فَهُوَ لَهُ قَرِينٌ
>
> *"Dan sesiapa yang berpaling daripada mengingati (Allah) Ar-Rahman, Kami adakan baginya syaitan, lalu syaitan itu menjadi temannya."*
>
> AZ-ZUKHRUF 43:36

5. The whisper in the chest — the heart is the control centre

Sudur (chests) here means the heart. Shaitan has no power to force — he only invites and whispers. That's why the heart must be guarded: a small whisper can lead to a big deed.

> *"Ketahuilah, sesungguhnya dalam jasad ada seketul daging. Jika ia baik, baiklah seluruh jasad; jika ia rosak, rosaklah seluruh jasad. Ketahuilah, itulah hati."*
>
> BUKHARI 52; MUSLIM 1599 (AN-NU'MAN BIN BASYIR) · SAHIH

Ibrahim 14:22 — on the Day of Judgement shaitan will say: *"Aku tidak mempunyai kuasa terhadap kamu kecuali aku mengajak kamu, lalu kamu menyahut ajakanku. Maka janganlah kamu mencela aku, tetapi celalah diri kamu sendiri."*

> Shaitan invites and whispers — but **we remain responsible** for our choices. Don't just blame shaitan. (Noted in class: things like music can also distract the heart from remembering Allah.)

6. From jinn and from people

Evil whispers can come from jinn/shaitan — and from **people** too, who can also whisper and invite to evil. So we seek protection from both.

Summary

1. Return to Allah as **Rabb, Malik, Ilah**.
2. Seek protection from the whisperer who hides.
3. The whisper enters the heart — so **guard the heart**.
4. Increase zikrullah so Al-Khannas retreats.
5. Don't blame shaitan alone — the choice is ours.
6. Whispers come from both jinn and people.

Reflections

- **Temptation rarely shouts — it whispers.** Like shaitan, pressure to compromise usually comes as a small, reasonable-sounding suggestion ("it's fine, no one will know"). Guarding the heart means catching it at the whisper stage.
- **We can be someone else's whisperer.** Ayat 6 includes people — advice given for our own benefit rather than theirs is exactly that.
